Parts & Service Description

REPAIR AND CALIBRATION

A complete repair and service department is maintained at our factory in Bohemia New York. Our factory trained technicians provide professional service using only OEM specified parts and certified alignment equipment.

RETURN AUTHORIZATION

Prior to any product return, please contact the factory at (631)-567-7300 or e-mail service@Climatronics.com for a return authorization number (RA).

BASIC SERVICE(S)

Repair services are offered for the Torque Watches on a time & materials basis. An estimate will be given after evaluation at the factory.
